SELF STORAGE

**The newest storage in the valley,
offering worry free storage with
two convenient locations.**

(see back for locations)

HEATED AND COOLED UNITS

Climate controlled space keeps your furniture, clothes, books, pictures, electronic items and other valuable items well protected and dry.

SECURE

Highest level of security in the industry. Each unit comes with electronic gate and building access, video surveillance systems and individual unit alarms. Alarms monitored 24 hours each day.

CONVENIENT

- Manage your account on line, making it simple to make payments and manage your unit.
- Interior staging areas allow you to access the items stored, your valuables will stay clean and pest free.
- Full line of boxes and other moving supplies to help you organize your move and minimize your rent cost.
- Open 7 days per week/365 days per year.

EASY MOVE IN

- Free use of 14 foot moving van to make any transition as easy as possible.
- All the carts and dollies you will ever need.

AFFORDABLE

Check on line for prices and special rates.

HELPFUL

Well trained customer service staff dedicated to making your storage experience as easy as possible.
